IWWF AFFILIATE MEMBERSHIP
INFORMATION

REQUISITES FOR AFFILIATE MEMBERSHIP

- Organizations applying for Affiliate Membership must complete the IWWF Application documents in their entirety and return them to the IWWF Administration office.

- Applications for Affiliate Membership MUST be accompanied by a letter from the Ministry of Sport or the National Olympic Committee of the applying country which clearly states recognition of the applying organization as the Governing Body for Waterski and Wakeboard in the relative country.

In absence of one or both of these two requisites, membership applications will not be considered.

AFFILIATE Membership - Affiliate Membership is a full membership. Affiliate Membership is recognized (pending approval at Congress) to those applicants who have returned the completed application documents and relative recognition letter to IWWF Administration and have paid the annual Confederation subscription fees (which also include the IWWF subscription fee).
Applying Affiliate Federations having met all of the requirements for membership have a provisional status until the following biennial IWWF Congress is held and IWWF Membership is approved.

Existing National Federations which for one reason or another are unable to sustain payment of the annual subscription fees may request that their membership be changed to Associate Membership, but are then required to conform to the Associate Membership restrictions.
Associate Membership can be reversed back to full Affiliated Membership (pending Congress approval) at any time through the payment of the annual Confederation subscription fees.
