Minimum Requirements and Instructions for Athlete Nomination

Thank you for taking the time to nominate an athlete to the IWWF IHOF.

It must be stressed that this list is the very minimum requirements to qualify as a candidate for consideration, but these are not the only requirements. There is so much more that cannot be defined with requirements and minimums.

The IWWF IHOF is the highest honour our sport can bestow and meeting this list of minimum requirements merely opens the door to becoming a IWWF IHOF candidate.

It must also be understood that this is not a long term service award or a memorial award. The IWWF IHOF is populated by those individuals who have made the most significant and farthest reaching contributions at the World Level and who have made such a tremendous impact on our sport that their legacy deserves to be memorialized, above and beyond all other qualified candidates.

The following 2 pages contain the minimum requirements and will aid you as a check list while you are assembling the nomination package

Please fill in parts 1-5 on the following page and attach that page to your nomination as a cover sheet.
