26. ADDITIONAL INFORMATION

- Power outlets

Details of voltage and electrical socket types in the Netherlands can be found at the following link:
<https://www.power-plugs-sockets.com/netherlands-holland/>

- SIM cards

Netherlands offers several choices when it comes to buying a SIM card, with four main cell networks to choose from: KPN, Vodafone and Odido. There are many ways to buy SIM cards and packages: in supermarkets, street kiosks, gas (petrol) stations, and official company stores. It is mandatory to register with your passport or national ID card when buying a SIM card in the Netherlands, due to an anti-terrorism act that went into effect around July 2016. You can easily buy top-up vouchers in the same places you bought the SIM card, including street kiosks, stores, petrol stations, or online.
